UPDATE ON POTENTIAL LITIGATION

1. IREIT Global Group Pte. Ltd., as manager of IREIT Global (“**IREIT**” and the manager of IREIT, the “**Manager**”), refers to the Manager’s announcement of potential litigation dated 28 July 2025 (the “**Potential Litigation Announcement**”). Unless otherwise defined herein, capitalised terms shall have the same meaning assigned to them in the Potential Litigation Announcement.
2. The Manager wishes to update Unitholders that the LRs (the wholly-owned subsidiaries of IREIT holding Berlin Campus), had, on 10 September 2025, been served with a payment order (*Mahnbescheid*) (the “**Payment Order**”) filed by DRV (the former main tenant at Berlin Campus) in the local court (*Amtsgericht*) of Berlin-Wedding, in relation to the Claim.
3. In this regard, the Manager understands from its Legal Counsel that the court has not examined the merits of DRV’s Claim.
4. The Manager also understands from its Legal Counsel that the LRs have one month from the service of the Payment Order to file an objection (being 10 October 2025). If the LRs file an objection against the Payment Order within this period, the matter will be referred to the district court (*Landgericht*) of Berlin and normal legal proceedings will be initiated. DRV will then have to file a normal statement of claims.
5. The Manager maintains its view that the Claim is unlikely to succeed legally, and that the LRs have a high chance of successfully defending against the asserted claim. The Manager is now taking legal advice from its Legal Counsel and intends to defend the interests of IREIT and the LRs.
6. Unitholders of IREIT and potential investors are advised to exercise caution when dealing in the Units. The Manager will make the necessary announcements when there are material developments on this matter. Unitholders of IREIT and potential investors are advised to read all further announcements by the Manager carefully and to consult their stockbrokers, bank managers, solicitors or other professional advisers if they have any doubt about the actions they should take.
